

123 Numbers & Counting 1 to 20

Count the dots, say the number, and point as you go. A gentle first counting chart for the wall or the kitchen table.

1 	2 	3 	4 
5 	6 	7 	8 
9 	10 	11 	12 
13 	14 	15 	16 
17 	18 	19 	20 

Count out loud together, then try counting backwards from 10. Can you find 20 of something at home?
