

123 Place Value: Fill In

Two worked examples to copy, then break the rest of the numbers into hundreds, tens, and ones yourself. Check it against the Place Value chart afterwards.

Number	Hundreds	Tens	Ones	In words
24	.	2	4	2 tens + 4 ones
156	1	5	6	1 hundred + 5 tens + 6 ones

Name: _____ Write the number, then how many hundreds, tens and ones it has, then say it in words.
